# CELEBRATE AT THE DELL

The Dell is a unique setting for a celebration of any kind. Right on the edge of the Abernethy Forest, our three peaceful acres provide a secluded and versatile venue, packed with character and with accommodation for up to 28 guests.

Together with our on site team we have extensive event management experience and we genuinely love to host a party.

We are well connected with local producers for everything you may need and are always open to ideas on how to make your celebration unique.

To rent the Dell as a venue for your event we provide a carefully put together package, which is concise and fixed to include the following 'essentials'

- On site accommodation for a maximum of 28 guests
- Experienced In-house management, production and hosting crew
- Facility Fee
- Single Woodland Tipi or double Tipi in the new 'Big Field' site
- Vintage wooden Furniture
- A fully staffed, stocked and licensed cash bar complete with all table glassware, fridges and equipment.
- All necessary infrastructure – Toilets / Parking / Power / Lighting / P.A / Fuel

We have a handful of weekends set aside each year to host large weddings. Amongst our little family on site we also host lots of interesting events and retreats throughout the year. This way, each wedding booking has the space to create its own identity and we have the time to help make it so.

We have a fantastic sourcebook of suppliers of the 'creative industries' which allow you to put your own personal stamp on the event. These have been carefully sourced, are of a very high quality and are those that we have worked with before and know the Dell well.

You would contact, liaise, plan and budget for these suppliers independently. These elements would include:

- Catering
- Music
- Photography
- Transfers
- Additional accommodation
- Activities
- Celebrant / paperwork
- Styling
- Wedding planning

We also love to host small and intimate celebrations where you can just run away to the forest or bring your very nearest and dearest to feast around our kitchen table.

For these packages we can look after everything and make sure the day runs just as you wish.

# WEDDING CEREMONIES

A photograph of a wedding ceremony in a forest. A group of people, including a priest in white robes, are gathered around a small table. The ceremony is taking place in a forest with tall pine trees. A pond is visible in the foreground, reflecting the scene. The text 'WEDDING CEREMONIES' is overlaid on the top of the image.

The beauty of getting married in Scotland is you can tie the knot anywhere you choose. Ceremonies can be held beneath our old Goat Willow tree on the lawn, holding your guests beneath its bows or up within the Fairy Wood amongst the tall pines. You can even take to the forest paths or loch-side for your ceremony for some true wilderness.

There are also two very pretty churches within the village. We are able to host Humanist and Religious, civil marriages and partnerships at the Dell and the local registrar is based in Aviemore, just 20 minutes drive from here.

# ACCOMMODATION

For all larger events and weddings we ask for an exclusive booking of all accommodations for four days surrounding the event. For example we request check in on the Thursday prior to allow for set up and check out on the following Monday morning.

Our accommodation is configured as follows -

Accommodation	Sleeps	Configuration
Dell Lodge	8	2 king size, 2 small doubles / twins
East Dell	5	2 Doubles, one with additional single
West Dell	7	1 Twin, 2 doubles, one with additional single (or triple)
South Dell	6	1 double, 2 twins
Little Dell	2	1 double
<b>TOTAL</b>	<b>28</b>	

# STRUCTURES

Our beautiful Tipi has nestled in the pinewoods for a number of years now and is the perfect space for those looking for a rustic, versatile space which can be open to the forest surrounding it.

We also have a second site with a double Tipi set up for the larger celebrations which looks south across the wide open grazing fields to the Cairngorms. This site is completely different in atmosphere and boasts massive star filled skies, a second fire pit and wildflower garden to spill into.

The Tipis are made from a beautiful tan canvas and come with coir matting, a central open fireplace, lighting and background heating. They are beautiful spaces as they are but also a good blank canvas for creating your own identity.

We are really spoilt for choice with fantastic, innovative and passionate caterers and also blessed with a strong local larder on the doorstep offering wild venison, highland beef and access to the freshest seafood from the Banff coast.

Polly and Ross have years of experience in food service. They ran their own restaurant locally for 3 years and have always worked together within the hospitality industry.

For family gatherings surrounding the event Polly can provide anything from informal suppers around the fire pit to rolling post-wedding breakfasts.

# FOOD

For any of the Tipi weddings we provide a bar stocked with some of the best local beers and organic wines, craft spirits.

We ensure it's well stocked with professional staff and reasonably priced for your guests.

If you wanted to provide a completely free bar to your guests we would just run a tab through the evening, which you could pick up at the end.

BAR

Our beloved 'Bluebelle'; a very pretty 1964 Humber Sceptre is available to hire as a wedding car complete with tweed clad chauffeur.
